

Supplier Invoicing Instructions

The Coca-Cola Company (TCCC) uses **SAP Business Network (formerly ARIBA)** as a common purchasing platform to transact with vendors. It enables you direct and real time receipt of Purchase Orders from TCCC and immediate transmission of your invoices to the TCCC Accounts Payable Department. We currently accept **Ariba e-invoices** for TCCC entities located in **Austria, Belgium, Canada, Costa Rica, Czech Rep., Finland, France, Germany, Ireland, Netherlands, Puerto Rico, Singapore, South Africa, Spain, UK and USA**. If you are interested in joining us on the SAP ARIBA platform, please visit [Supplier Information Portal](#).

We continue to accept invoices by email in PDF format in countries where SAP ARIBA invoicing is not enabled at apinvoice@coca-cola.com for most countries **except for those listed in the appendix section**.
